You Can Be a Part of History this Centennial Year

2007 will be the biggest celebration year Naramata has ever seen... The Naramata Centennial Celebration Committee is the lead organization for coordination of all Centennial events. Businesses, families and individuals can help celebrate this milestone year by sponsoring the Centennial celebrations.

Show Your Pride in Naramata

Dozens of events are planned, and dozens of projects are in the planning stage. Show your pride in the Naramata community, and consider one of these sponsorship levels.

Sponsorship can come either via cheque or approved gifts in kind of product or services. Contact Jane Shaak, Centennial Chair, at 488-1776, centennial@discovernamata.com, for more information.

Build a Legacy and Support the Celebrations
Centennial events and programs are driven by volunteer efforts, and all funds raised will go toward event coordination and promotion, sanctioned official projects and lasting legacies to mark 100 years of Naramata history.
